

Potions

Imaginative Learning Project for Year 4 children

Potion: a poison, a mixture, an aromatic brew, a vapour, a liquid or sticky goo.

Welcome to the amazing magical world of potions and their properties...

Now scientists, beware! There are some powerful and deadly potions out there – dangerous, unpredictable or plain tragic (just ask Romeo and Juliet!)

Use what you know about materials and their properties to create incredible potions in Professor Hazard's Potions class.

Feeling sleepy? Hmm – that orange juice did taste a little strange...

ILP focus	Science
English	Labels and instructions; Letter writing; Play scripts; Poetry; Non-chronological reports
Science	States of matter
Art & design	Design; Clay work; Crayon art; Photography
Computing	Presenting information
D&T	Product development
History	Historic use of potions
Mathematics	Measurement
Music	Improvising
PE	Dance
