

### 3 POWER Points

#### Develop your creativity:

1. Design a scene simulating what a blitz bombing siege may have looked like.
- 2.
3. Design your wartime plane/tank/boat, showing that you researched your form of transport well.
- 4.
5. Make a 3D model show-

This half term's POWER Project is:

**Y6 'WW2/Birmingham bombed but not beaten'**

Hand In date:

Monday 16th December 2019

### 2 POWER Points

#### Mathematical skills:

1. Find out which countries lost the most lives during the war and produce a graph of the data. You could also order these in a format of your choice.
- 2.
3. Look at the cost of everyday items of food etc during the war, compare this to now and calculate the difference.

### 1 POWER Point

#### Explore:

1. Explore why America decided to drop an atomic bomb on Japan.
2. Explore why the poppy became a national symbol for remembrance. Produce a poster explaining this.
3. Explore the use of propaganda and why it was used.

# Cadbury

Choose projects to achieve your 5 POWER Points.

You can add your own ideas too! Tick off what you have completed to achieve your points.

### 2 POWER Points

#### Research skills:

- Research Anne Frank. Who was she? Why do we learn about her?
- Why did WW2 start? Can you produce an informative leaflet detailing this?
- Research the wars around the world still taking place, why are these happening?

### 3 POWER Points

#### Develop your creativity:

Design your own car.

Make a car out of shapes.  
Which shapes would you use  
for the wheels?

Make a 3D model of a car.

This half term's POWER Project  
is:

**Y1 'Cars'**

Hand In date:

Monday 20th November

### 2 POWER Points

#### Mathematical skills:

Find out how much it  
would cost to buy a  
car?

A car has 4 wheels—how  
many would 3 cars  
have?

Count how many cars go  
past your house in 1  
minute.

### 1 POWER Point

#### Explore:

Explore inside a car. What can you  
find in there to help the car move?

Explore what cars are made of? Can  
you write down the material used to  
make them?

Choose projects to achieve your 5 POWER  
Points.

You can add your own ideas too! Tick off  
what you have completed to achieve your  
points.

### 2 POWER Points

#### Research skills:

Research different types of cars.  
Write 3 facts about the cars you  
have researched.

Find out about Longbridge and the  
Rover factory.
