

Towers, Tunnels and Turrets

Imaginative Learning Project for Year 2 children

See the castle ahead? Get ready to invade its mighty walls! Shoot a projectile with an archer's aim! Head across the drawbridge, over the moat and up to the top of the tower...

Meet Rapunzel who lives in a tall, tall tower. Let's build a brand new one... Whose is the tallest? Can you measure it?

Then dig deep, deep down, making burrows and tunnels, just like the animals who live underground.

What's that sound? I hear little hooves going trip, trap, trip, trap, over the rickety bridge. Watch out for the angry troll underneath. He likes to gobble up little girls and boys! Make sure your bridge is sturdy enough to take our weight and get us safely to the other side.

And finally... meet three little pigs who need your help to build a strong fortress. Inside its strong walls they'll be safe from the big, bad wolf!

No huffing and puffing will blow your fortress down!

ILP focus	Design and technology
English	Recounts; Reported speech; Narrative; Letters; Posters
D&T	Making models of towers, bridges and tunnels
Art & design	Sculpture using natural materials
Computing	Create castles using drawing software
Geography	Amazing structures around the world; Towers and bridges in the local area
History	Castles and castle life; Significant individuals – Isambard Kingdom Brunel
Mathematics	Measures (height)
PE	Defend and attack games; Balance and co-ordination
PSHE	Dilemmas
Science	Living things and their habitats; Use of everyday materials; Working scientifically
