

Moon Zoom!

Imaginative Learning Project for Year 1 children

CRASH! What's that in the playground? Let's go outside and take a look. Stand back everyone – it looks like a UFO has crash-landed!

Find out who might have landed by exploring the craft and investigating scattered scientific specimens. Create a 'Welcome to Earth' box for an alien explorer. What can you put in it to help explain what life is like on our planet?

Would you like to be an astronaut? You'll need a pretty sturdy spacecraft if you do. Start off small by making an air-propelled rocket... WHOOSH! How far can you make it travel?

Find out the names of the planets. There's Mercury, Neptune, Mars and... do you know any others? I've forgotten the rest!

Then, an alien is found... can you help get him home? It's got the experts in a right kerfuffle. Professor Pong doesn't know what to do!

Are you ready for take off Year 1?

Hold tight... 5 4 3 2 1... LIFT OFF!

| ILP focus | D&T |
|--------------|--|
| English | Posters; Character profiles; Non-chronological reports; Adverts; Science fiction |
| D&T | Design and make space-themed vehicles; Evaluating toys; Using mechanisms |
| Art & design | Models of the Solar System |
| Computing | Drawing software; Algorithms; Email; Photo stories |
| Geography | Satellite images |
| History | Significant people – Astronauts; Changes within living memory |
| Mathematics | Position and direction |
| Music | Space sounds; Space-themed songs |
| PE | Dance |
| PSHE | Aspirations and goal setting |
| Science | Properties of everyday materials; Working scientifically |
