# Newsletter

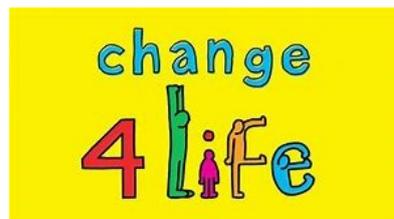

Another excellent week for the children of Oasis Hobmoor. Learning is in full flow now across the academy and we have warmly welcomed our Reception and Nursery children who have been visiting their new teachers on a reduced timetable over the last few days. They have all settled really well into their new environments and are very excited about being part of the Oasis Hobmoor family.

Mr McKee our sports coach, delivered a superb Inspire assembly on Wednesday morning, all about sugar swops. He shared with us some amazing, but quite shocking, sugar facts related to the foods we eat and drinks we consume on a daily basis. Did you know that the average 500ml bottle of Coke contains the equivalent of 14 sugar cubes! This term we will also be looking at the need for our children to maintain a healthy diet, especially through 'healthy lunch boxes' for those children who bring their lunch to school.

Please talk to you children about what they learnt from this assembly. For more information on how you can make the correct sugar swops for yourselves and your children please visit the website below:

Have a great weekend everyone...Mr P. Jones (Deputy Principal)

## Uniform Reminder

We would like to have a big push on Academy Uniform this year. We are well on our way to becoming an outstanding academy and have so much to be proud of, we want our students to be proud of themselves and take pride in their uniform.

We have got some new uniform mannequins in the Academy Reception for you to look at what the uniform should be.

**We want to point out that trainers are not to be worn, even if they are plain black. All children from Nursery to Year 6 should be wearing smart school shoes.**

If you have any questions on where to purchase uniform from, please see the office team who will be happy to help.

## Working in partnership with our parents & carers

Research shows that regular attendance and good punctuality are crucial factors in students achieving their full potential at school. Here at Oasis Academy Hobmoor we wish to work in partnership with parents and carers and seek full support in ensuring that your child attends school every day and on time.

## And please remember...

If your child is absent from school you must contact the school office on

**0121 675 3269** selecting **option 1**

which is the attendance voicemail.

Please speak clearly stating your child/ren's full name, which class they are in and the reason for their absence. This phone **call must be done before 9.30am EVERY DAY** the child is absent from school even if it's an ongoing illness such as a chest infection or chickenpox.
