There is no doubt in my mind that Oasis Hobmoor is a wonderful place to be. The dedication from all of the staff this term has been truly inspirational. Each and every member of the Hobmoor team has stepped up to face the huge challenges (that we have all encountered this term) with a smile and a positive energy that has been humbling to witness. Their dedication and commitment to the continued care and well-being of our beautiful children, simply summarises how wonderful our Oasis Hobmoor family really is! I am sure you will all agree with me that the staff at this amazing academy are all true heroes who go above and beyond to ensure the very best for the children that they work with and care for. Thank you one and all!

So it leaves me to wish you and your families a very happy Christmas and best wishes for a positive, healthy and prosperous New Year!

See you all back on **TUESDAY 5TH JANUARY 2021**

Kindest regards...Mr P. Jones (Deputy Principal)

IMPORTANT NOTICE

If your child receives a free school meal you will receive an Edenred voucher via email or text message. This voucher will last the duration of the two weeks of the Christmas holiday. We anticipate that these will be sent out on the first week of the holiday.

It has become very apparent in the last week that there is a large number of parents/carers not social distancing with their children during drop off and collection .

It is paramount that everyone respects the rules and procedures set not only by the Academy but the government. They are in place to protect everyone.

Please adhere to the rules every time you are on the Academy site. Thank you.

Positive Covid results
out of hours reporting line

If your child or someone in your household gets a positive test result out of school hours you must call the number below to inform us.

Please note that this number is only to be called if you have a positive result out of school hours. If you have a positive result during school hours you must call the office. The out of office line should not be called for any other issues.

NOTICE TO ALL PARENTS & CARERS

Symptoms are not just limited to pupils who attend this school. If you or anyone who lives in the household with a pupil who attends this school shows any covid related symptoms you must keep the children at home and contact the school for advice. As soon as possible.

DO NOT carry on sending your child/ren to school if you are knowingly aware that someone in your household is unwell and /or you/they have been for a test. It is too late to inform us when you receive a covid test result as it does not enable us to put our procedures in place in order to try and protect pupils, families and staff. Please be mindful of how to protect those around you.

LATE ARRIVALS ARE UNACCEPTABLE

Parents please be aware that there have been quite a few late arrivals via the school office recently. This is unacceptable due to the current situation with COVID. The drop off and collection procedures at different doors for different classes are in place for a reason— to protect your children. Please adhere to these rules arriving at the allocated time slot on time. Thank you.

We will be checking meal types for children as to whether they are on packed lunches or paid school meals. Free school meal entitlement will also be checked. Please check online on Parent Pay to confirm that you are up to date with payments. Thank you.
