# Newsletter

This week our year 6 pupils have been putting their acting skills to good use as they took part in a Shakespeare Workshop based on 'A Midsummer Night's Dream.' The children learnt about the history of the play, how the play was set and cast and then put on their own performance at the end of the day! A wonderful and educational time was had by all, well done year 6!

A polite reminder; as we all now know, Covid infections continue to rise across the country and especially in the city of Birmingham. **PLEASE** continue to **wear a mask at ALL TIMES when on the academy premises and observe social distancing.** We have come so far together, as a community and a family, please help us to remain safe throughout the last few weeks of the school year. Thank you.

Enjoy the weekend everyone...Mr P. Jones (Deputy Principal)

## Healthy Lunch Boxes

As an academy we advocate healthy eating choices and this extends to both snack time and lunch boxes (if this is your child's lunch option). Please ensure that there is only water in their water bottles—**NO fizzy drinks or squash.**

**Please DO NOT send in chocolate, sweets, cakes, biscuits or crisps, no "junk" food.**

**If you haven't already please remember to sign up to the My Child At School app—information regarding log-ins has been sent out.**

It has become very apparent in the last week that there is a large number of parents/carers not social distancing with their children during drop off and collection.

It is paramount that everyone respects the rules and procedures set not only by the Academy but the government. They are in place to protect everyone.

Please adhere to the rules every time you are on the Academy site.

Thank you.

COVID-19 ALERT

**WEAR A  
MASK**

Dear Parents/Carers,

If your child has to attend a medical appointment during the school day, we now require a minimum of 24 hours notice of the appointment (Please inform the academy office team (option 3 on our telephone system 0121 6753269) unless this is an emergency appointment arranged on the day) this will help us to inform and prepare your child's class teacher to release your child from their bubble in a prompt and safe way. Thank you.

### **NOTICE TO ALL PARENTS & CARERS**

Symptoms are not just limited to pupils who attend this school. If you or anyone who lives in the household with a pupil who attends this school shows any covid related symptoms you must keep the children at home and contact the school for advice. As soon as possible.

**DO NOT** carry on sending your child/ren to school if you are knowingly aware that someone in your household is unwell and /or you/they have been for a test. It is too late to inform us when you receive a covid test result as it does not enable us to put our procedures in place in order to try and protect pupils, families and staff. Please be mindful of how to protect those around you.

The kindest thing  
you  
can do for  
someone else  
is listen without  
forming an opinion.

### **LATE ARRIVALS ARE UNACCEPTABLE**

Parents please be aware that there have been quite a few late arrivals via the school office recently. This is unacceptable due to the current situation with COVID. The drop off and collection procedures at different doors for different classes are in place for a reason— to protect your children. Please adhere to these rules arriving at the allocated time slot on time. Thank you.
