Newsletter

A very warm welcome back to you all! We do hope that you had an enjoyable and restful Easter break. It has been wonderful to see the children back in the academy and as always they have returned with a superb energy and a brilliant attitude towards their learning.

You will be aware of the launch of our inspirational 'Horizons project' this week. Many of our children have now received their very own iPad to work on at school and at home. Thank you to those parents who have supported this brilliant project already through signing the home user agreements promptly.

Please note, if you are still unsure of how this project will work for your child, please do not hesitate to contact your child's class teacher and/or visit the academy website and explore our Horizons information section (found under the 'About Us' tab) for further reading and advice.

Wishing you all a happy and sunny weekend

Mr P. Jones (Deputy Principal)

It has become very apparent in the last week that there is a large number of parents/carers not social distancing with their children during drop off and collection.

It is paramount that everyone respects the rules and procedures set not only by the Academy but the government. They are in place to protect everyone.

Please adhere to the rules every time you are on the Academy site.

Thank you.

COVID-19 ALERT

WEAR A
MASK

Please ensure as per your Home User agreement that you child brings their Ipad to and from school in a school bag.

Thank you.

Please be aware an inset day has been added for teacher training on Monday 7th June 2021.

School will be closed to pupils.

NOTICE TO ALL PARENTS & CARERS

Symptoms are not just limited to pupils who attend this school. If you or anyone who lives in the household with a pupil who attends this school shows any covid related symptoms you must keep the children at home and contact the school for advice. As soon as possible.

DO NOT carry on sending your child/ren to school if you are knowingly aware that someone in your household is unwell and /or you/they have been for a test. It is too late to inform us when you receive a covid test result as it does not enable us to put our procedures in place in order to try and protect pupils, families and staff. Please be mindful of how to protect those around you.

We will be checking meal types for children as to whether they are on packed lunches or paid school meals. Free school meal entitlement will also be checked. Please check online on Parent Pay to confirm that you are up to date with payments. Thank you.

LATE ARRIVALS ARE UNACCEPTABLE

Parents please be aware that there have been quite a few late arrivals via the school office recently. This is unacceptable due to the current situation with COVID. The drop off and collection procedures at different doors for different classes are in place for a reason— to protect your children. Please adhere to these rules arriving at the allocated time slot on time. Thank you.
