Another successful week for the children of Oasis Hobmoor! Looking ahead to next week, we are very excited about the 'Hobmoor walkathon' that will be happening for all of our children on various days of next week. Thank you in advance for your support with this fantastic event, all the sponsor money that your child can raise will be much appreciated and will go towards making next year's curriculum experiences fun, engaging and educational. I think you would all agree that the last 18 months have been a tremendous struggle for us all, especially our children who have had to endure the challenge of change. But they are a credit to you all as parents, they continue to grow and radiate positive energy and wear their smiles no matter what is happening around them!

Please can we ask that ALL sponsor money to be handed in to class teachers no later than Friday 16th July. Many thanks.

Please keep an eye on Class dojo for further updates regarding all things 'Walkathon', especially the timetable that will inform you of when your child will be taking part.

Have a super weekend everyone...Mr P. Jones (Deputy Principal)

Healthy Lunch Boxes

As an academy we advocate healthy eating choices and this extends to both snack time and lunch boxes (if this is your child's lunch option). Please ensure that there is only water in their water bottles—**NO fizzy drinks or squash.**

Please DO NOT send in chocolate, sweets, cakes, biscuits or crisps, no "junk" food.

It has become very apparent in the last week that there is a large number of parents/carers not social distancing with their children during drop off and collection.

It is paramount that everyone respects the rules and procedures set not only by the Academy but the government. They are in place to protect everyone.

Please adhere to the rules every time you are on the Academy site.

Thank you.

Dear Parents/Carers,

If your child has to attend a medical appointment during the school day, we now require a minimum of 24 hours notice of the appointment (Please inform the academy office team (option 3 on our telephone system 0121 6753269) unless this is an emergency appointment arranged on the day) this will help us to inform and prepare your child's class teacher to release your child from their bubble in a prompt and safe way. Thank you.

NOTICE TO ALL PARENTS & CARERS

Symptoms are not just limited to pupils who attend this school. If you or anyone who lives in the household with a pupil who attends this school shows any covid related symptoms you must keep the children at home and contact the school for advice. As soon as possible.

DO NOT carry on sending your child/ren to school if you are knowingly aware that someone in your household is unwell and /or you/they have been for a test. It is too late to inform us when you receive a covid test result as it does not enable us to put our procedures in place in order to try and protect pupils, families and staff. Please be mindful of how to protect those around you.

LATE ARRIVALS ARE UNACCEPTABLE

Parents please be aware that there have been quite a few late arrivals via the school office recently. This is unacceptable due to the current situation with COVID. The drop off and collection procedures at different doors for different classes are in place for a reason— to protect your children. Please adhere to these rules arriving at the allocated time slot on time. Thank you.
