Newsletter

What a wonderful and productive staff team we have here at Oasis Hobmoor. The commitment that our staff have for providing our children with the very best learning experience is simply outstanding!

We pride ourselves on aiming to improve our communication between the academy and parents at every opportunity. Next week, you will receive a letter that will outline the introduction of a new 'communication App' called 'My Child at School' (MCAS) This app will provide parents with the ability to communicate and interact with the academy in a fast and effective way!

Wishing you all a relaxing **Bank Holiday** weekend...please note, the academy will be closed on **Monday 3rd May and will reopen on Tuesday 4th May.**

Bests wishes

Mr P. Jones (Deputy Principal)

Unfortunately this week some of our children's ceramic artwork that is displayed outside the front of the school hall on the grassy bank, has been damaged. Please can we ensure that when children are outside waiting to come into the academy, that parents are responsible for their children's behaviour and that they wait calmly and quietly until they are allowed into school.

Thank you.

It has become very apparent in the last week that there is a large number of parents/carers not social distancing with their children during drop off and collection.

It is paramount that everyone respects the rules and procedures set not only by the Academy but the government. They are in place to protect everyone.

Please adhere to the rules every time you are on the Academy site.

Thank you.

Please ensure as per your Home User agreement that you child brings their Ipad to and from school in a school bag.

Thank you.

Please be aware an inset day has been added for teacher training on Monday 7th June 2021.

School will be closed to pupils.

NOTICE TO ALL PARENTS & CARERS

Symptoms are not just limited to pupils who attend this school. If you or anyone who lives in the household with a pupil who attends this school shows any covid related symptoms you must keep the children at home and contact the school for advice. As soon as possible.

DO NOT carry on sending your child/ren to school if you are knowingly aware that someone in your household is unwell and /or you/they have been for a test. It is too late to inform us when you receive a covid test result as it does not enable us to put our procedures in place in order to try and protect pupils, families and staff. Please be mindful of how to protect those around you.

We will be checking meal types for children as to whether they are on packed lunches or paid school meals. Free school meal entitlement will also be checked. Please check online on Parent Pay to confirm that you are up to date with payments. Thank you.

LATE ARRIVALS ARE UNACCEPTABLE

Parents please be aware that there have been quite a few late arrivals via the school office recently. This is unacceptable due to the current situation with COVID. The drop off and collection procedures at different doors for different classes are in place for a reason— to protect your children. Please adhere to these rules arriving at the allocated time slot on time. Thank you.
