This week you will have received a letter regarding the academy's new communication app 'My Child At School'. This is a brilliant app that will allow parents to effectively communicate with the academy (and visa versa) with matters ranging from attendance and behaviour to family assemblies and sports days!

If you do require any further information regarding MyCAS, please do not hesitate to contact the academy office.

A gentle reminder please that academy uniform **must be worn at all times by all of our children...**trainers are not permitted (only for P.E/ sports sessions).

If you do require any assistance sourcing uniform for your child/ren please contact your class teacher or the academy office and we will support in any way possible.

'Eid Mubarak' to all of our families who will be celebrating next week. We wish you and your families a wonderful celebration...

Enjoy the weekend everyone, kind regards,

Mr P. Jones (Deputy Principal)

Dear Parents/Carers,

If your child has to attend a medical appointment during the school day, we now require a minimum of 24 hours notice of the appointment (Please inform the academy office team (option 3 on our telephone system 0121 6753269) unless this is an emergency appointment arranged on the day) this will help us to inform and prepare your child's class teacher to release your child from their bubble in a prompt and safe way. Thank you.

It has become very apparent in the last week that there is a large number of parents/carers not social distancing with their children during drop off and collection.

It is paramount that everyone respects the rules and procedures set not only by the Academy but the government. They are in place to protect everyone.

Please adhere to the rules every time you are on the Academy site.

Thank you.

**Please ensure as per your Home User agreement that you child brings their Ipad to and from school in a school bag.**

**Thank you.**

**Please be aware an inset day has been added for teacher training on Monday 7th June 2021.**

**School will be closed to pupils.**

### **NOTICE TO ALL PARENTS & CARERS**

Symptoms are not just limited to pupils who attend this school. If you or anyone who lives in the household with a pupil who attends this school shows any covid related symptoms you must keep the children at home and contact the school for advice. As soon as possible.

**DO NOT** carry on sending your child/ren to school if you are knowingly aware that someone in your household is unwell and /or you/they have been for a test. It is too late to inform us when you receive a covid test result as it does not enable us to put our procedures in place in order to try and protect pupils, families and staff. Please be mindful of how to protect those around you.

**We will be checking meal types for children as to whether they are on packed lunches or paid school meals. Free school meal entitlement will also be checked. Please check online on Parent Pay to confirm that you are up to date with payments. Thank you.**

### **LATE ARRIVALS ARE UNACCEPTABLE**

**Parents please be aware that there have been quite a few late arrivals via the school office recently. This is unacceptable due to the current situation with COVID. The drop off and collection procedures at different doors for different classes are in place for a reason— to protect your children. Please adhere to these rules arriving at the allocated time slot on time. Thank you.**
